MISSION

Central Standard is a culturally diverse and inclusive men's a capella ensemble that embodies the spirit of fraternity. Central Standard is dedicated to enriching lives through performing with musical excellence and encouraging music appreciation in schools and the community.

COMMUNITY

We all benefit from a vibrant and thriving arts community at all levels of participation. The arts have an impact on our community far beyond the experience of each individual audience member. The arts attract businesses, talent, tourism, and account for \$273 million annually in direct expenditures. And, of course, the arts beautify our city and enrich our lives on a daily basis.

EXCELLENCE

As members of the Barbershop Harmony Society, we are part of the largest proponents of vocal music education in the world. As a local representative, Central Standard works with music educators in our local schools and colleges.
